[Simple Port Forwarding 2.4.0 Portable Setup Free](#)

The screenshot displays the FreeFirewall application window. The title bar reads "FreeFirewall" and includes a search filter, sort, and actions menu. The main area lists several Windows processes with their associated firewall rules and actions:

Process Name	Company	Path	Action
Windows Graphisolierung für Audiogeräte	Microsoft Corporation	c:\windows\system32\audiodg.exe	Prohibit everything
Windows-Befehlsprozessor	Microsoft Corporation	c:\windows\system32\cmd.exe	Ask for permission
Windows Logon User Interface Host	Microsoft Corporation	c:\windows\system32\logonui.exe	Ask for permission
Usermode Font Driver Host	Microsoft Corporation	c:\windows\system32\fontdrvhost.exe	Ask for permission
Remotedesktopverbindung	Microsoft Corporation	c:\windows\system32\mstsc.exe	Allow everything
Windows Defender SmartScreen	Microsoft Corporation	c:\windows\system32\smartscreen.exe	Ask for permission
Windows Driver Foundation - Benutzermodus-Treiberframework-Hostprozess	Microsoft Corporation	c:\windows\system32\wudfhost.exe	Ask for permission

The left sidebar contains navigation icons for Start, Applications, Services, Zones, Events, Tools, Settings, and Help.
